See ya  
Sunday!

Sunday and we wrap up the Festival with some outstanding bands - Bob Sedergreen the obvious popular choice, but check out Ron Anderson, Melba, Debra LaVelle, and the Lee Jones Trio. Then stay for a final set from Sarah Maclaine's Jazz and Champagne - and you have a full day of great music, the chance to chat with some of the musos, maybe join the (free) jam session in the Bowls Club as the evening draws to a close.
