

Are We There Yet? Well, this is our third year, so... nearly. There are some exciting new bands, and some favourites returning. Six venues, 220 musicians, 50 bands, so something for everyone. And a special thanks to Bendigo Community Bank, to Altona Lions Club, our principal sponsors, to the Victorian Wine Centre, and to Hobsons Bay City Council for their continued support.

Take a stroll around each of the venues, catch up with the musos, enjoy the music. You will see QR codes at each venue - scan these to access your programme and find out more about each band.

We hope you enjoy the friendliest Festival in the West!
