

Welcome to the second Newport Jazz Festival. Habit forming? We hope so.

This year we are featuring 63 bands, and well over 200 musicians from all over Melbourne. We have received terrific support and encouragement from Hobsons Bay City Council, who came through with a major grant, supporting the arts in Newport. The Festival aims to become an important feature of the Newport calendar, and we are especially excited to see the number of locals now supporting the event.

Two new venues this year, the (tiny!) Back Room at the Bowls Club, and the Substation. Take time to visit both.

Stay safe (mask, social distancing, hand washing, you know the drill)

Many people commented last year that this was the "Friendly" Festival – and we have chosen that as our theme this year too

Live music is back!
